

Gender Sensitization Committee against Sexual Harassment

(GSCASH)

Introduction

Following the guidelines on the prevention and deterrence of sexual harassment in the workplace laid down by the Supreme Court of India in its 13 August 1997 judgment on the Writ Petition (Criminal) Vishakha vs. State of Rajasthan, the Hon'ble Vice-Chancellor of SRTMUN appointed a committee in university as permanent cell to prevent violence and sexual harassment on campus in Feb. 2000.

The cell is basically meant for dealing the problems of women on campus relating to sexual harassment and violence at the workplace. This cell is dedicated for creating an environment in the campus where everybody feels safe and self confident. The office of the cell is an educational resource as well as a complaint centre for the member of the campus community who has been sexually harassed.

It is the vow being taken by the members of the cell to create a campus working environment where everybody agrees prevention is must in cases relating to sexual harassment and violence against women.
