ACADEMIC BRANCH – III

No. Acad.III/AC/144

22nd December, 2017

Corrigendum

Ref: Resolution No. 3(vi) of Minutes of Academic Council Meeting held on 1.12.2017.

While approving the Minutes of Standing Committee on Admissions held on 30.8.2017 and 5.9.2017 on various issues related to admissions as given at Annexure –III of the Minutes, the Council resolved to modify point No. 10 (a) and 10 (b) (page-22 of the Minutes) as under, which was left out inadvertently;

	As per Minutes	Modification
10 (a)	After deliberation, it was resolved by the Committee that final merit for M.Phil/Ph.D after viva voce shall be considered for selected candidates on the basis of marks given by concerned Centre's Committee and existing practice of cut-off/minimum qualifying mark category wise in viva voce as 40%-Gen, 36%-OBC & 30%-SC/ST & PH shall be discontinued w.e.f. Academic Session-2018-19.	The Academic Council resolved to continue with the criteria of 40%-Gen, 36%-OBC & 30%-SC/ST & PH for drawing the final merit for admission to M.Phil and Ph.D after viva voce.
10(b)	Admission of Foreign Students: Regarding the foreign students, the Committee discussed and recommended that they shall be considered supernumerary for calculating the intake for admission to M.Phil/Ph.D and Ph.D in 2018-19 w.r.t UGC Regulations 2016. This action will be intimated to the UGC.	The Council resolved to approve that admission of foreign students to M.Phil and Ph.D may be considered within the capping for M.Phil/Ph.D as per the UGC Regulations 2016 and not as supernumerary seats, till any clarification is received from UGC on this matter
