DIRECTOR OF ADMISSION

No. Admission/2017-18/

11th January 2017

Dear Colleague,

This is to inform you that the University will hold 2017-18 JNUEE and CEEB on the basis of Gazette Notification of UGC Regulation 2016 dated 5th May 2016. The Vice-Chancellor and the Rector-I met the UGC Chairman and obtained necessary clarifications. Accordingly, the number of students intake for M.Phil, PhD programmes will be recast on the basis of faculty strength of each School/Centre/Special Centre as per clause 6.5 of the above-said UGC Regulations.

Secondly, you are requested to intimate the Office of the undersigned your valuable views on adopting a two-stage examination pattern, where objective (OMR) type and descriptive type test would be conducted. If a candidate does not secure the qualifying percentage of marks in the objective type test, there would be no need to evaluate the descriptive type paper. This is to streamline the admission process and facilitate timely declaration of the results.

With regards,

Yours sincerely,

(Milap Punia)
