Sir/Madam,

I received the notice from your office on 26th 10 through mail alleging that I "physically assault, manhandled and verbally abused Buddha Singh a fellow student." I was totally shocked after I received the notice because it was me who faced all things by Buddha Singh and others. In reply to this notice, I submitted my letter to ask you for complaint copy and material evidence which supports the notice, but I see it as clear violation of law of natural justice as it has not been provided.

On 2nd Nov I had an exam for which I gave a letter that I will not be able to appear before I received a mail for hearing on 7 Nov. So, I appeared there today for the enquiry (7th Nov) 17 for as ~~as~~ ~~as~~ acquisitions are concerned, they are totally false and baseless. All the allegations have no grounds at all. The reality is basically that I was the victim of all the above allegations that he is alleging against me.
