

“We have nothing to lose but our chains, we have a world to win”

- Karl Marx.

Welcome Back Com. Kanhaiya

Comrade Kanhaiya, JNUSU President who was arrested on 14th February, 2016 and trumped up charges of sedition based on doctored videos has been granted a 6-month interim bail. Although a partial victory, this nevertheless is a tight slap on the faces of RSS and its stooges. SFI Salutes the fighting spirit of the JNU students and the relentless support and solidarity of the teaching community and the Karmacharies in showing remarkable unity in the face of fascist terror tactics. Our struggle will continue till all our demands are met, including the dropping of sedition charges, release of all jailed JNU students, repeal Section 124 A IPC, revoking of the academic suspension of students, enactment of Rohith Act and the resignation of Smriti Irani.
